COPYCAT
Billie Eilish

Intro: **Fm Eb C# C**

Fm   Eb
Don t be cautious, don t be kind
Fm   Eb
You re committed, I m your crime
Fm   Eb
Push my button anytime
C#
You got your finger on the trigger
C
But your trigger finger s mine

(**Fm Eb**)

Fm   Eb
Silver dollar, golden flame
Fm   Eb
Dirty water, poison rain
Fm   Eb
Perfect murder, take your aim
C#
I don t belong to anyone
Eb
But everybody knows my name

Fm   Eb   Fm   Eb
    By the way,   you ve been uninvited
C#   Bbm C#   C
     Cause all you say   are all the same things I did

Fm   C#   C
Copycat trying to cop my manner
Fm   C#   C
Watch your back when you can t watch mind
F   C#   C
Copycat trying to cop my glamour
C#   C
Why so sad, bunny can t have mine

Fm   Eb
Call me calloused, call me cold
Fm   Eb
You re italic, I m in bold
Fm   Eb
Call me cocky, watch your tone

```
C#                        C
You better love me  cause you re just a clone

Fm          Eb    Fm                    Eb
   By the way,      you ve been uninvited
C#                       Bbm  C#    C
    Cause all you say    are all the same things I did

Fm                        C#    C
Copycat trying to cop my manner
Fm                              C#     C
Watch your back when you can t watch mind
F                    C#   C
Copycat trying to cop my glamor
C#            C                      C#
Why so sad, bunny can t have mine

C#
Mine
Eb    Fm
    I would hate to see you go
                    Eb
Hate to be the one who told you so
                      Bbm
You just crossed the line
                 C#
You ve run out of time
        Fm
I m so sorry, now you know
                  Eb
Sorry I m the one that told you so
Bb
Sorry, sorry, I m sorry, sorry

Sike

Fm          Eb    Fm                    Eb
   By the way,      you ve been uninvited
C#                       Bbm C#       C
    Cause all you say    are all the same things I did

Fm                        C#    C
Copycat trying to cop my manner
Fm                              C#     C
Watch your back when you can t watch mind
F                    C#   C
Copycat trying to cop my glamor
C#              C
Why so sad, bunny can t have mine
```
