

Everybody dies
Billie Eilish

Intro

C D G Em

C D

Everybody dies, surprise, surprise

G Em

We tell each other lies, sometimes, we try

C D

To make it feel like we might be right

Em D C

We might not be alone

Em D C

Be alone

C D

Everybody dies, that s what they say

G Em

And maybe, in a couple hundred years, they ll find another way

C D

I just wonder why you d wanna stay

Em D C

If everybody goes

Em D C

You d still be alone

Em D

I don t wanna cry, some days I do

C

But not about you

Em D

It s just a lot to think about

C

The world I m used to

Em D C

The one I can t get back, at l?ast not for a while

Em D C

I sure have a knack for seein lif? more like a child

Em D C

It s not my fault, it s not so wrong to wonder why

Am C

Everybody dies, and when will I?

D

You oughta know

G Em

That even when it s time, you might not wanna go

C

D

But it s okay to cry and it s alright to fall

Em D C

But you are not alone

Em D C

You are not alone
