Intro: **Bm A G F#**

(**Bm A G F#**)

       Bm   **A**
In the end, when they re all gone
                 G   **F#**
When the world is silent and the days are long
           Bm   **Em**
Just you and I, we ll be alive
  A   **F#**
We made it on our own

       G   **D**
 Cause everybody makes it till they don t
   Gmaj7   **Bm**
And everybody wants to think they won t
       G   **D**
 Cause everybody makes it till they don t
   Gmaj7   **Bm**
And everybody seems to think they won t
     A   **G**   **Bm**
They won t, they won t, they won t

(**Em A**)

               Bm   **A**
Baby, I m still alive but my heart is beating slow
G   **F#**
Baby, tell me I gotta know
         Bm   **A**
Are you okay? You seem too far gone
 G   **F#**
Infected, standing there all alone

       G   **D**
 Cause everybody makes it till they don t
   Gmaj7   **Bm**
And everybody wants to think they won t
       G   **D**
 Cause everybody makes it till they don t
   Gmaj7   **Bm**
And everybody seems to think they won t
     A   **G**   **Bm**
They won t, they won t, they won t

```
( Em   A )

      D                  Em               G  F#
The best of me, the best of me is you
      D                  Em               G  F#
The best of me, the best of me was you
Bm     A      G      F#
Whoa, whoa, whoa, whoa
Bm     A      G      F#
Ladum, badum, mmmm
