I love you
Billie Eilish

Intro: **G   D7M**

G
It s not true
                        D7M
Tell me I ve been lied to
                G
Crying isn t like you
        D7M
Oh-oh-oh
                        G
What the hell did I do?
                D7M
Never been the type to
                        G
Let someone see right through
        D7M
Oh-oh-oh

G
Baby won t you take it back
G
Say you were tryna make me laugh
A
And nothing has to change today
                                Bm   B5
You didn t mean to say I love you
        D   B5
I love you
                G
And I don t want to
        D7M
Oh-oh-oh

  G   **D7M**
Up all night on another red eye
                        G
I wish we never learned to fly
    D7M
I-I-I
                G
Maybe we should just try
                        D7M
To tell ourselves a good lie
                G

```
I didn t mean to make you cry
      D7M
I-I-I

G
Baby won t you take it back
G
Say you were tryna make me laugh
A
And nothing has to change today
                              Bm      B5
You didn t mean to say  I love you
        D     B5
I love you
             G
And I don t want to
        D7M
Oh-oh-oh

  Em
The smile that you gave me
        A.                  G
Even when you felt like dying

G
We fall apart as it gets dark
G
I m in your arms in central park
A
There s nothing you could do or say
A                          Bm          B5
I can t escape the way, I love you
          D         B5
I don t want to,
        G
But I love you
        D7M
Oh-oh-oh
          G
Oh-oh-oh
      D7M
Oh-oh-oh
        G
Oh-oh-oh
        D7M
Oh-oh-oh
```
