

I Wish You Were Gay
Billie Eilish

Am D G Em
Baby, I don't feel so good 6 words you never understood
Am D G Em
I'll never let you go 5 words you never say
Am D G Em
I laugh alone like nothing's wrong, 4 days has never felt so long
Am D G
If 3 is a crowd & 2 was us, 1 slipped away

Am D G Em
I just wanna make you feel okay
Am D G Em
But all you do is look the other way
Am D G Em
I can't tell you how much I wish I didn't wanna stay
Am D G
I just kinda wish you were gay

Am D
Is there a reason we're not through
G Em
Is there a 12th step just for you
Am D
Our conversations all in blue
G Em
11 heys

Am D
10 fingers tearing out my hair
G Em
9 times you never made it there
Am D G
I ate alone at 7, you are six minutes away

Am D G Em
How am I supposed to make you feel okay
Am D G Em
When all you do is walk the other way
Am D G Em
I can't tell you how much I wish I didn't wanna stay
Am D G
I just kinda wish you were gay

Am D
To spare my pride
G Em
To give your lack of interest an explanation
Am D

Don't say I'm not your type
