And this ain t nothing like it onc? was

F
I know you think you re such an outlaw
But you got no job

I used to think you wer? shy
Or maybe you just had nothing on your mind
Maybe you were thinkin bout yourself all the time
I used to wish you were mine
But that was way before I realized
Someone like you would always be so easy to find
So easy (So easy)

Gave me no flowers
Wish I didn t care
You d been gone for hours
Could be anywhere
I thought you would ve grown eventually
But you proved me wrong

You ain t nothing but a lost cause
And this ain t nothing like it once was
I know you think you re such an outlaw
But you got no job

You ain t nothing but a lost cause
And this ain t nothing like it once was
I know you think you re such an outlaw
But you got no job

What did I tell you?
Don t get complacent
It s time to face it now
What did I tell you?
Don t get complacent
It s time to face it now
