[Segunda Parte]

Dm Am

And we would live again

Am **Bb**

In the simplest of ways

Bb

Living day after day

C **Am** **Dm**

Like some primal animals

Dm **Am**

We would love again

Am **Bb**

Under glorious suns

C

With the freedom that comes with the truth

(**A7**)

[Refrão]

Dm **F** **Bb**

If the end of the world was near

F **C** **Dm**

Where would you choose to be?

Bb **F** **C**

If there was five more minutes

A

Of air

Bb

Would you panic and hide?

F

Or run for your life?

C

Bb

Or stand here and spend it with me?

F **C** **Dm**

If we had five more minutes

Bb **C** **Dm**

Would I, could I make you happy?

[Ponte]

Dm **Am**

So it finally came to pass

Am **Bb**

I saw the end of the world

Bb

Saw the madness unfold

C **Am** **Dm**

Like some primal burial

Am

And I looked back upon

Bb

Armageddon

Am

Bb

And the moment of truth between you and me

(Am Bb Am Bb)

Oh

Dm

If we had five more minutes

Bb C

Of air to breathe

F C Dm

And we cried all through it

Bb C

But you spend them with me

F C Dm

On our last few drags

Bb C

Of air we agree

Bb C Dm

I was, and you were, happy?
