C F
Lips meet teeth and tongue

Am F
My heart skips eight beats at once

C G F
If we were meant to be, we would have been by now

Am G F
See what you wanna see, but all I see is him right now

C F
I ll sit and watch your car burn

Am Em
With the fire that you started in me

F
But you never came back to ask it out

C F
Go ahead and watch my heart burn

Am Em
With the fire that you started in me

F C
But I ll never let you back to put it out

C F
Your love feels so fake

Am F
And my demands aren t high to make

C G F
If I could get to sleep, I would have slept by now

Am G F
Your lies will never keep, I think you need to blow em out

C F
I ll sit and watch your car burn

Am Em
With the fire that you started in me

F
But you never came back to ask it out

C F
Go ahead and watch my heart burn

Am Em
With the fire that you started in me

F
But I ll never let you back to put it out
