They said I nearly lost my mother today. They said something â€™bout a heart attack. The
organisation she started - sheâ€™s gonna quit it now, it almost took her life you know. So
asked her what to do instead she told me. â€˜The casino business is the future my cute
Iâ€™ll make a fortune and I bought some stocks for you as well. Plenty of stocks for all
my children.â€™

I am a good mother. Yes I am a good mother.
I am a good mother. Yes I am a good mother.

I heard that Jimmy and Joanne just separated. Despite the baby, the poor little baby. â€˜I
leave one single day too soonâ€™ she told me. â€˜He took me for granted so I could not
I could not stay.â€™ They day you count on me no matter what I leave youâ€™ I said to him
he just laughed at me, he laughed at me and answered: â€˜You donâ€™t have the guts Baby, you
have the guts Baby. Besides what do you think our neighbours would say?â€™

You are a bad mother. Yes you are a bad mother.
You are a bad mother. Yes you are a bad mother.

â€˜What are you waiting for? I know you like children. Itâ€™s time for you to spread our
now my cute son. Donâ€™t you want to celebrate Christmas with us no more? Our special family
one and only Lindquists.â€™

We are a good family. Yes we are a good family.
We are a good family. Yes we are a good family.

Normalization is a ticking bomb inside of me. The University. I started

drinking. I
some swearwords and I learned to use them. And I stopped thinking that things can be both
and white.

I am good person now that I am normalized.
I am a good person I can tell wrong from right.
I am good person now that I am normalized.
I am a good person I can tell black from white.
I am good person now that I am normalized.
I am a good person I can tell good from bad.
Now that I am normalized.
