INTRO

G D C G

I d like to rest my heavy head tonight

D

On a bed of California stars

C

I d like to lay my weary bones tonight

G

On a bed of California stars

I d love to feel your hand touching mine

D

And tell me why I must keep working on

C

Yes I d give my life to lay my head tonight

G

On a bed of California stars

G D C G

I d like to dream my troubles all away

D

On a bed of California stars

C

Jump up from my star bed make another day

G

Underneath my California stars

They hang like grapes on vines that shine

D

And warm a lover s glass like a friendly wine

C

So I d give this world to dream a dream with you

G

On our bed of California stars
