With rain to wash us dry.

Love is the leaf at the top of the tree,
Once love was you and me,
Once love rained down
In a thunderstorm of passion.

C D Em
All these things I see,
D C/D
Are haunting me.

G C D G C D

G C D G C D/E C/D
I ve been loving you, for too long.

Love is the game she plays,
Love is the good old days,
Love is a shooting star that burns
So bright on that special night.

And love is the promised land,
Love has slipped through my hands,
Love has disappeared
Like a rocket into the ocean.

All these things I see,
Are haunting me.

I ve been loving you, for too long.
I ve been loving you, for too long.
I ve been loving you, for too long.
I ve been loving you, for too long.
