When I was young I told my mum gonna walk on the moon someday[/tab]

Armstrong and Aldrin spoke to me through Houston and Cape Kennedy[/tab]

and I watched the Eagle landing on a night when the moon was full[/tab]

and as it tugged at the tides I knew that deep inside I too could feel[/tab]

its pull[/tab]

I knew that someday soon we d all sail to the moon on the high tide of[/tab]

but the dreams had all been taken and the window seats taken too[/tab]

[tab] A G#m A E B
and two thousand & one has almost come and gone what am I supposed to do?[/tab]

[chorus]:

[tab] C#m A E A E
now my dreams have all been shattered and my wings are tattered too[/tab]

[tab] A G#m A E B
and I can still fly but not half as high as once I wanted to[/tab]

[tab] A E A E A
now that the space race is over its been and its gone and I ll never get[/tab]

to the moon[/tab]

[tab] A E A E B
now that the space race is over and I can t help but think that we ve all[/tab]

[tab] E F#m E G#m F#m E B A
my son and I stand beneath the great night sky and we gaze up in wonder[/tab]

[tab] E F#m E G#m F#m E B A
I tell him the tale of apollo and he says yeah but why did they ever go?[/tab]

[tab] C#m A E A
It may look like some empty gesture to go all that was just to come[/tab]
