Here s the full thing
1.
[play verse part1]
                       C/B
                                   Am
       It may have been camelot for Jack and Jacqueline
or on the Che Guevara highway filling up with gasoline
       Fidel Castro s brother spies a rich lady who s crying over
       luxury s disappointment so he walks over and he s trying
[play verse part2]
                           C
                                    C/B
to sympathise with her but he thinks that he should warn her
                     G
                                 [play intro]
that the third world is just around the corner
