

**Bring It On Over**  
**Billy Currington**

[Intro]  
N.C.  
Oh yeah

[Verse 1]  
**G** **D**  
Baby I can t stop thinking bout last night  
**Em**  
Still taste your kiss, still taste the wine  
**Am**  
Tryna to turn this ten minute drive to five  
Oh, I ve been  
**G** **D**  
Daydreaming bout you all day long  
**Em**  
Radio s been playing all our songs  
**Am**  
Just read your message on my phone  
It s turning me on

[Chorus]  
**D**  
When you say you need me  
**A**  
And you just got to see me  
**Bm**  
And all you want is me right now  
**G**  
Oh baby just wait a minute  
**D**  
If you re in your bed stay in it  
**A**  
I m about to dive on in it  
**Bm**  
Got to got to get you closer  
**G\***  
I m about to bring you on over

[Post Chorus]  
**D**  
Twisted you up in inside the sheets  
**G**  
I bet you don t get no sleep  
(I m gettin closer)  
**D**  
Make a little love to a Motown beat  
**G**

Catching your groove with me

**Em**

I m about to bring it on over

[Verse 2]

**G**

**D**

I know that key s under the mat

**Em**

So girl just stay right where you re at

**Am**

Be right beside you just like that

I want you so bad

**G**

**D**

Girl let s pick up where we left off

**Em**

A little more love, a lot less talk

**Am**

About to hear my footsteps down your hall

Hang on

[Chorus]

**D**

When you say you need me

**A**

And you just got to see me

**Bm**

And all you want is me right now

**G**

Oh baby just wait a minute

**D**

If you re in your bed stay in it

**A**

I m about to dive on in it

**Bm**

Got to got to get you closer

**G\***

I m about to bring you on over

[Post Chorus]

**D**

Twisted you up in inside the sheets

**G**

I bet you don t get no sleep

(I m gettin closer)

**D**

Make a little love to a Motown beat

**G**

Catching your groove with me

[Bridge]

**C**

**Dm**

Wanna see our shadows on the wall

**G**

Wanna see your beautiful body

**D**

Ain t nobody gonna stop me

**C**

I m about to bring it on over

**Dm**

Bring it on over

**G**

Yeah, bring it on over

**D**

Bring it on over

[Chorus]

**D\***

When you say you need me

**D\*** **A\***

And you just got to see me

**A\***

**A\***

**Bm**

And all you want is me right now

**G**

Oh baby just wait a minute

**D**

If you re in your bed stay in it

**A**

I m about to dive on in it

**Bm**

Got to got to get you closer

**G\***

I m about to bring you on over

[Post Chorus]

**D**

Twisted you up in inside the sheets

**G**

I bet you don t get no sleep

(I m gettin closer)

**D**

Make a little love to a Motown beat

**G**

Catching your groove with me

**D**

Twisted you up in inside the sheets

**G**

I bet you don t get no sleep

(I m gettin closer)

**D**

Make a little love to a Motown beat

**G**

Catching your groove with me

**D**

Twisted you up in inside the sheets

**G**

I bet you don't get no sleep

**D**

Make a little love to a Motown beat

**G**

Catching your groove with me
