

Shes Got A Way With Me
Billy Currington

She s Got A Way With Me

[Intro]

A

It s a gentle touch, but more than enough

E

She can stop this ole world from spinnin too much

A

It s a natural thing and I do believe

E

I found my reason to be

[Chorus]

A

She s got a way with me

E

She s got a way with me

A

I m not the same man, since she s been around

E

There s more to this life, I ve suddenly found

A

I look at myself now so differently

E

It s her love that brings me peace

[Chorus]

A

She s got a way with me

E

She s got a way with me

Em

C

Whatever it is, I ll always be under her spell

D

G

She ll always be all I ll ever need

Em

I could search the whole world

C

And I know I d never find

D

G

Someone perfect as her for me

A

Suddenly it s something, you just cant live without

E

Oh, you know you found love, beyond any doubt

A

With a simple man's words, I can never convey

E

All that I feel when I say

[Chorus]

A

She's got a way with me

E

She's got a way with me

[Outro]

A, E
