Time With You

Intro: **Bm A G** (2x)

**Bm A G**  
Daily grind is stealin' me away again  
**Bm A G**  
When I just wanna lay back down  
**Bm A G D/F#**  
Another night gone and don't know where it went  
**Em D/F# Asus A**  
What I need more than anything right now is

(Chorus)

**Bm A**  
Time with you  
**G A**  
More time with you  
**Bm A G A**  
To laugh and talk and play and make more love to you  
**Em D/F# Asus A**  
Oh, there's nothing in this world I'd rather do  
**Bm A G**  
Than spend time with you

**Bm A G**  
Seven days, you and me in paradise  
**Bm A G**  
The world revolving around us  
**Bm A G D/F#**  
We'd still be there, and forever if the choice was mine  
**Em D/F# Asus A**  
Cuz seven days, that's not enough

CHORUS

**Bm A G**  
Time with you  
**Em D/F# G D/F#**  
I'm gone for now to do the things I have to do  
**Em D/F# Asus A**  
But baby you know I live, for

CHORUS
