#1.

**C**                    **F**                    **Dm**                    **Bb**                    **C**  
A thousand stars in the skies, like the stars in your eyes..  
**F**                    **Dm**                    **Bb**                    **C**  
they say to me that there ll never be..  
**F**                    **Dm**                    **Bb**                    **C**                    **F**                    **Dm**                    **Bb**                    **C**  
no other love like your..rrrs for me.

#2.

**C**                    **F**                    **Dm**                    **Bb**                    **C**  
A thousand stars in the skies, make me real..ize,  
**F**                    **Dm**                    **Bb**                    **C**  
you are the one love that I ll adore.  
**F**                    **Dm**                    **Bb**                    **C**                    **F**  
Tell me, you love me, tell me, you re mine once more.  
**Bb**                    **F**                    **F7**  
(You re mine, you re mine, once more.)

CHORUS:

**Bb**                    **Bbm**  
Each night I count the stars in the skies,  
**F**                    **F7**  
hoping that you aren t telling me lies.  
**Bb**                    **Bbm**  
You re with me tonight, I m captured by your charms,  
**F**                    **Dm**                    **Bb**                    **C**  
oh, pretty baby, let me hold you in my arms.
