Now all I want is to let you know

Your love is like a river

Bm
It runs through my heart and soul

And warm when Im cold

And when I feel forgotten

Bm
I come runnin to your shore

G A
And find peace of mind time after time

D
You give me everything and more

Verse 2 (Same Chords)

I can face the mornin
In a different light
You can change your mind
A thousand times
Nothin will ever chang mine

D G A
 You give me everythi-----ng
 Dsus4 D
And mo-----re

I know the actual song doesnt do the Dsus4 to D thing, but that always ends a ballad like this well and people will think its cool, they do when I play it, so I hope you enjoy it.
