

Eyes without a face
Billy Idol

(intro) D Bm F#m A

D Bm
I m all out of hope
F#m A
One more bad dream could bring a fall
D Bm
When I m far from home
F#m
Don t call me on the phone
A
To tell me you re alone
D Bm
It s easy to deceive
F#m
It s easy to tease
A
But hard to get release

G A
Les yeux sans visage eyes without a face
G A
Les yeux sans visage eyes without a face
G A Em
Les yeux sans visage eyes without a face
F#m7 D
Got no human grace your eyes without a face.

(Bm F#m A)

D Bm
I spend so much time
F#m
Believing all the lies
A
To keep the dream alive
D Bm
Now it makes me sad
F#m
It makes me mad at truth
A
For loving what was you

D Bm
Now I close my eyes
F#m
And I wonder why
A
I don't despise
D Bm
Now all I can do
F#m
Is love what was once
A
So alive and new
Em
But it's gone from your eyes
A
I'd better realise

G A
Les yeux sans visage eyes without a face

G A
Les yeux sans visage eyes without a face

G A Em
Les yeux sans visage eyes without a face

F#m7 D
Got no human grace your eyes without a face.

F#m7 D
Such a human waste your eyes without a face

And now it s getting worse.
