```

                Bm      D
You know you make me crazy
                G      Em
and my mind is racing
                Bm      D
you re wastin all my time
                G
someone come and save me
      Em
oh yeah
```

```
*riff1      Bm
Cause when I need you
      D
I can see through
      G
and I feel you
      Em
right now
      Bm
```

All my highway
 D
doin my way
 G
and I want you to feel
 Em
when I m going down
