

White Christmas  
Billy Idol

          C                  G      G7          F#  
I m dreaming of a white Christmas,  
F                          C  
Just like the ones I used to know.  
C                  C7  
Where those tree-tops glisten,  
      F          Fm  
And children listen  
C                  G  Am  G      G7  
To hear sleigh bells in the snow.

C                  G      G7          F#  
I m dreaming of a white Christmas,  
F                          C  
With every Christmas card I write,  
C                  C7          F      Fm  
  May your days be merry and bright,  
      C          G          C  
And may all your Christmases be white .

C                  G      G7          F#  
Well, I m dreaming of a white Christmas,  
F                          C  
Just like the ones I used to know.  
C                  C7                  F  
May your days, may your days be merry and bright,  
      Fm  
Oh so bright,  
C                  G          F  
And may all your Christmases be white,  
      B          C  
So white, white Christmas  
      F  
They got to be white  
      B          C  
So white, white Christmas  
  
You know I m dreaming of you
