Oooooo-oooo-oooo....oo-oo-oo..

#1.

**G**

It's just not working, we've both known

for sometime.

**G**

That old fire's been out for so long we've

**G7**

just stopped trying.

**C**

The only time we're touching is when we're

**G**

passing in the hall.

**D7**

And yesterday's I love you's, don't really

**G**

matter at all.

CHORUS:

**C**

I might as well be leaving..I'm already out of

**G**

your mind.

**C**

Baby, go right on dreaming..your dreams just might

**D7**

come true this time.

**C**

Tomorrow, when you wake up you'll be lying here

**G C**

all alone.

**C**

**G**

**D7**

But I'll pin a note on your pillow, or you might

**G**

not even notice I'm gone.

(INTERLUDE:)

#2.

**G**  
I wish that we could go back and love like we did before.  
**G** **G7**  
We've been alone together so long I can't take anymore.  
**C** **G**  
My body's crying, wake up, let me hold you one more time.  
**G** **D7**  
But you just go right on sleeping my heart won't let me  
**G**  
change my mind.

CHORUS:

**C**  
I might as well be leaving..I'm already out of  
**G**  
your mind.  
**C**  
Baby, go right on dreaming..your dreams just might  
**D7**  
come true this time.  
**C**  
Tomorrow, when you wake up you'll be lying here  
**G** **C**  
all alone.  
**C** **G** **D7**  
But I'll pin a note on your pillow, or you might  
**Em** **C**  
not even notice I'm gone..I'm gone.  
**G** **D7**  
I'll pin a note on your pillow, or you might  
**G**  
not even notice I'm gone. (Pause.)
