Good friend of mine

I know

You know, you know you know that
C **G** **F**
I pulled the thorn out of your side
C
When I walked away
G **F**
I took the rock out of your shoe
C
On that very day
G
I pray
F
You ll forgive me for not leaving sooner

C **G** **F**
You are the star in my heart
C
Guess you ve always known
G **F**
Though we are many worlds apart
C
I am still your friend
G
And friends
F
Will always be friends forever
