A **A** **D**
Been a whole lot of people thought me a fool

Been a time or two i thought that i was one too
A
Ain t a chain that can hold me
A7 **D**
Ain t a thing i won t try
A **E** **A**
When i get through livin ,i m gonna die

A **A7** **D** **A**
Gonna die with my boots on,gonna go out in style
B **E**
With a free-wheelin feelin and a honky tonk smile
A **A7** **D**
And if the devil don t dodge me,gonna spit in his eye
A **E** **A**
When i get my wings,i m gonna fly

A **A7** **D** **A**
Gonna fly away singin i m gonna fly

Gonna wrap my new wings round
E
Few feathered things in that free feelin sky
A **A7** **D**
Gonna reach a new heaven,higher than high
A **E** **A**
When i get my wings,hey i m gonna fly
