

**Big Man On Mulberry Street**  
**Billy Joel**

**G7**                    **Bbmaj7**   **C/F**  
Why can t I lay low

**G7**                    **Bbmaj7**            **C/F**  
Why can t I say what I mean

**G7**                    **Bbmaj7**   **C/F**  
Why don t I stay home

**G7**                    **Bbmaj7**            **C/F**                    **Em7**  
And get myself into some boring routine

**Em7**                    **A**            **Bm7**  
Why can t I calm down

**Em7**                    **A**                    **Bm7**  
Why is it always a fight

**Em7**                    **A**   **Bm7**  
I can t get unwound

**Em7**                    **Am**                    **D9sus4**    **G7**            **F13**  
Why do I throw myself into the night

[**G7**   **F13**] x 3

**G7**                    **Bbmaj7**   **C/F**  
I m on the outside

**G7**                    **Bbmaj7**            **C/F**  
I don t fit into the groove

**G7**                    **Bbmaj7**   **C/F**  
Now I ain t a bad guy

**G7**                    **Bbmaj7**            **C/F**                    **Em7**  
So tell me what am I trying to prove

**Em7**                    **A**            **Bm7**  
Why can t I cool out

**Em7**                    **A**                    **Bm7**  
Why don t I button my lip

**Em7**                    **A**            **Bm7**  
Why do I lash out

**Em7**                    **Am**                    **D9sus4**                    **Dm**  
Why is it I always shoot from the hip

**Dm**    **Dmaj7/2+**  
I cruise from Houston to canal street

**Dm7**            **Bm7b5**  
A misfit and a rebel

**Dm**    **Dmaj7/2+**  
I see the winds talking to themselves

**Dm7**            **Bm7b5**   **Em7/4-**  
And I can understand

**Am7**    **Ema7**

Why is it every time I go out  
                                  **C6**          **F#m7b5**  
I always seem to get in trouble  
**Am7**  **Am/D**  
I guess I made an impression on somebody  
                                  **G7**          **F13**  
North of Hester and south of grand

[**G7**  **F13**] x 3

**G7**                  **Bbmaj7 C/F**  
And so in my small way  
**G7**                  **Bbmaj7**      **C/F**  
I m a big man on Mulberry street  
**G7**                  **Bbmaj7 C/F**  
I don t mean all day  
**G7**          **Bbmaj7**                  **C/F**                  **Em7**  
Only at night when I m light on my feet

**Em7**                  **A**  **Bm7**  
What else have I got  
**Em7**                  **A**                  **Bm7**  
That I d be trying to hide  
**Em7**          **A**          **Bm7**  
Maybe a blind spot  
**Em7**          **Am**                  **D9sus4**      **Dm**  
I haven t seen from the sensitive side

**Dm**  **Dmaj7/2+**  **Dm7**  **Bm7b5**  
**Dm**  **Dmaj7/2+**  **Dm7**  **Bm7b5**  **Em7/4-**  
**Am7**  **Emaj7**      **C6**      **F#m7b5**  
**Am7**  **Am/D**

[**G7**  **F13**] x 4

**G7**                  **Bbmaj7 C/F**  
But you know in my own heart  
**G7**                  **Bbmaj7**      **C/F**  
I m a big man on Mulberry street  
**G7**                  **Bbmaj7 C/F**  
I play the whole part  
**G7**          **Bbmaj7**                  **C/F**                  **Em7**  
I leave a big tip with every receipt

**Em7**          **A**  **Bm7**  
I m so romantic  
**Em7**          **A**                  **Bm7**  
I m such a passionate man  
**Em7**          **A**  **Bm7**  
Sometimes I panic  
**Em7**          **Am**                  **D9sus4**      **G7**      **F13**  
What if nobody finds out who I am

[G7 F13]

Repeat and Fade out
