Got To Begin Again

Well so [C]here I am at the [Cmaj7]end of the road. [C7]Where do I go from [F]here?

[C]I always figured it would[Cmaj7]be like this. Still [C7]nothing seems to be quite [F]clear

All the [Dm] words have been [G7] spoken and the [Dm]prophecy [G7]fulfilled
But I [Em7]just can't decide which way to [A7]go
Yes, it's [Dm]been quite a [Em7]day and I [Dm]should go to [Em7]sleep
But [Dm]tomorrow I will [F]wake up and I'll [G]know

That I've [Am] got to begin again, though I [C]don't know how start
Yes, I've [Am] got to begin again. [F] But it's so [C]hard [Cmaj7] [C7] [F]
(pause)

Well it's [C]been quite a while since I [Cmaj7]lifted my head. And I'm [C7]sure
the
will hurt my [F]eyes
[C]I see the way that I been [Cmaj7]spending my days, and [C7]reality has caught
me by [F]surprise

I was [Dm]dreamin' of [G7]tomorrow so I [Dm]sacrificed [G7]today
And it [Em7]sure was a grand waste of [A7]time
And [Dm]despite all the [Em7]truth that's been [Dm]thrown in my [Em7]face
I just [Dm]can't get you [F]out of my [G]mind

But I've [Am] got to begin again, though I [C]don't know how start
Yes, I've [Am] got to begin again. [F] But it's so [C]hard [Cmaj7] Yes it's [C7]
]hard [F]
ooh ooh [G7] [C]
