

Leave A Tender Moment Alone
Billy Joel

Ebmaj7 F
Even though I m in love

Cm7 Bb
Sometimes I get so afraid

Ebmaj7 F
I ll say something so wrong
Cm7 Bb
Just to have something to say

Fm G Bm7
I know the moment isn t right
Cm7 Bb Ab
To tell the girl a comical line
Fm G Bm7
To keep the conversation light
Cm7 Bb Ab
I guess I m just frightened out of my mind

Ebmaj7 F
But if that s how I feel
Cm7 Bb
Then it s the best feeling I ve even known
Ebmaj7 F
It s undeniably real
Cm7 Bb
Leave a tender moment alone

Ebmaj7 F
Yes I know I m in love
Cm7 Bb
But just when I ought to relax
Ebmaj7 F
I put my foot in my mouth
Cm7 Bb
Cause I m just avoiding the facts

Fm G Bm7
If the girl gets too close
Cm7 Bb Ab
If I need some room to escape
Fm G Bm7
When the moment arose
Cm7 Bb Ab
I d tell her it s all a mistake

Ebmaj7 F

But that s not how I feel

Cm7 **Bb**

No that s not the woman I ve known

Ebmaj7 **F**

She s undeniably real

Cm7 **Bb**

So leave a tender moment alone

Am

But it s not only me

D **Eb** **Dm7**

Breaking down when the tension gets high

Cm7 **G**

Just when I m in a serious mood

D7 **F** **Bb7** **Cm7**

She is suddenly quiet and shy

F

Leave a tender moment

Ebmaj7

Leave it alone

Fm **G** **Bm7**

I know the moment isn t right

Cm7 **Bb** **Ab**

To hold my emotions inside

Fm **G** **Bm7**

To change the attitude tonight

Cm7 **Bb** **Ab**

I ve run out of places to hide

Ebmaj7 **F**

And if that s how I feel

Cm7 **Bb**

Then it s the best feeling I ve even known

Ebmaj7 **F**

It s undeniably real

Cm7 **Bb**

Leave a tender moment alone

Cm7

You got to leave a tender moment alone

F

Ebmaj7

Ebmaj7
