I seen the lights go out on Broadway I saw the ruins at my feet You know we almost didn^Ot notice it We seen it all the time On Forty-Second street

They burned the churches up in Harlem Like in that Spanish civil war The flames were everywhere But no one really cared It always burned up there before

I seen the lights go out on Broadway
I watched the mighty skyline fall
The boats were waiting at the battery
The union went on strike
They never sailed at all

They sent a carrier out from Norfolk And picked the Yankees up for free They said that Queens could stay They blew the Bronx away
And sank Manhattan out at sea

You know those lights were bright on Broadway
That was so many years ago
Before we all lived here in Florida
Before the Mafia
Took over Mexico

There are not many who remember They say a handful still survive To tell the world about The way the lights went out And keep the memory alive

( alive is on a **G/D** chord, I play it X55433)

(End with same as intro fingerstyle)
