

River Of Dreams

The River of Dreams - Billy Joel

[Chorus 1]

In the middle of the night I go walking in my sleep
from the mountains of faith to a river so deep
I must be looking for something something sacred I lost
But the river is wide and it s too hard to cross

[Verse 1]

And even though I knew the river is wide
I walk down every evening and I stand on the shore
And try to cross to the opposite side
So I can finally find out what I ve been looking for

[Chorus 2]

In the middle of the night I go walking in my sleep
Through the valley of fear to a river so deep
And I ve been searching for something taken away of my soul
Something I would never lose something somebody stole

[Verse 2]

I don t know why I go walking at night
But now I m tired and I don t walk anymore
I hope it doesn t take the rest of my life
