Go Where No Ones Gone Before Billy Preston

G B7

Trippin up, electric lights

Em A7

I ll take you places you ain t gone before

C B7 Em C

I ve got a formula for givin the lights

Am D7 C D

Better, girl, stick with me

G B7

Take my hand and hold on tight

Em A7

This rollercoaster s gonna go all night

C B7 Em C

Too damn good, this love, it must be a crime

Am D7 G

Let us go where no one s gone before

B7 Em

Born under a brilliant star

C G

Stay with me, we can t go wrong

B7 Em

I don t care who s listening

A7 D7

Come on, help me sing along

G B7

Daring you on the count of three

Em A7

You re gonna feel like you re royalty

C B7 Em C

I ll storm the palace and make you my queen

Let us go where no one s gone before, yeah!

B7 Em

Born under a brilliant star

!

Stay with me, we can t go wrong

B7 Em

I don t care who s listening

A7 D7

G B7

Take my hand with all your might

Em A7

Time for you and I to settle the score

C B7 Em C

Our future s out there and we re getting it right

Am D7

Let us go where no one s gone before

Am D7 G

Let us go where no one s gone before

Am D7 G

Let us go where no one else has gone before

This is the theme to L/R: Licensed by Royal. I m fairly inexperienced with tabbing, but

pretty sure this is right. Good luck!
