

In The Heart Of A Woman
Billy Ray Cyrus

I noticed that there weren't many Billy Ray Cyrus Lyrics and Chord files out there, and the ones that are out there aren't the ones I wanted, so I set out to put a few of the songs I like on here, enjoy.

Bb **Eb**
She is all I ever could've wanted her to be
Bb **Eb**
She always knew just how to give the best of love to me
Bb **Eb**
I thought I knew a thing or two about the ways of love
Bb **Gm**
But it was soon to become so clear I didn't know enough
F **Eb**
One day I found a note beside the ring she'd left behind
F **Eb**
She said that here is all you need to know for better love next time

Bb
Say your love is strong and true
Ebsus2
Let her know all she meant to you
Gm
Show her she's that special one
F
Who shines in your eyes like the rising sun
Bb
Give love less room to grow
Ebsus2
Treat her tender and you will know
Gm **F**
The secret to the treasures of heaven
Bb **Bb**
In the heart of a woman

Bb **Eb**
A bridge was burned and a lesson learned I never will forget
Bb **Eb**
And for her timeless wisdom I'm forever in her debt

Last night I heard a good friend say he finally found the one

I told him to be sure these precious things weren't left undone
