

In The Heart Of A Woman
Billy Ray Cyrus

I noticed that there weren't many Billy Ray Cyrus Lyrics and Chord files out there,
and the ones that are out there aren't the ones I wanted, so I set out to put
a few
of the songs I like on here, enjoy.

G# **C#**
She is all I ever could've wanted her to be
G# **C#**
She always knew just how to give the best of love to me
G# **C#**
I thought I knew a thing or two about the ways of love
G# **Fm**
But it was soon to become so clear I didn't know enough
Eb **C#**
One day I found a note beside the ring she'd left behind
Eb **C#**
She said that here is all you need to know for better love next time

G#
Say your love is strong and true
C#sus2
Let her know all she meant to you
Fm
Show her she's that special one
Eb
Who shines in your eyes like the rising sun
G#
Give love less room to grow
C#sus2
Treat her tender and you will know
Fm **Eb**
The secret to the treasures of heaven
G# **G#**
In the heart of a woman

G# **C#**
A bridge was burned and a lesson learned I never will forget
G# **C#**
And for her timeless wisdom I'm forever in her debt
Eb **Fm**
Last night I heard a good friend say he finally found the one
Eb **C#**
I told him to be sure these precious things weren't left undone
