

In The Heart Of A Woman

Billy Ray Cyrus

I noticed that there weren't many Billy Ray Cyrus Lyrics and Chord files out there, and the ones that are out there aren't the ones I wanted, so I set out to put a few of the songs I like on here, enjoy.

B **E**
She is all I ever could've wanted her to be
B **E**
She always knew just how to give the best of love to me
B **E**
I thought I knew a thing or two about the ways of love
B **G#m**
But it was soon to become so clear I didn't know enough
F# **E**
One day I found a note beside the ring she'd left behind
F# **E**
She said that here is all you need to know for better love next time

B
Say your love is strong and true
Esus2
Let her know all she meant to you
G#m
Show her she's that special one
F#
Who shines in your eyes like the rising sun
B
Give love less room to grow
Esus2
Treat her tender and you will know
G#m **F#**
The secret to the treasures of heaven
B **B**
In the heart of a woman

B **E**
A bridge was burned and a lesson learned I never will forget
B **E**
And for her timeless wisdom I'm forever in her debt
F# **G#m**
Last night I heard a good friend say he finally found the one
F# **E**
I told him to be sure these precious things weren't left undone
