Some Gave All - Billy Ray Cyrus

intro :
A   F#m   D   E

A
I knew a man called him Sam the Cane
F#m
Few folks even knew his name
D   E
But a hero yes was he
A
He left a boy, came back a man
F#m
Still many just don t understand
D   E
About the reasons we are free
D   E   A
I can t forget the look in his eyes
E/F#   F#m
Or the tears he cried
D   E
As he said these words to me

chorus:
            A   B   E   Esus2
All gave some, some gave all
            A   B   E   E7
Some stood through for the red, white and blue and some had to fall
D   E
And if you ever think of me
A   E/F#   F#m   D
Think of all your liberties and recall
E
Some gave all

Now Sam the Cane is no longer here
But his words are oh so clear
As they echo throughout our land
For all his friends who gave us all
Who stood the ground and took the fall
To help their fellow man
Love your country, live with pride
And don t forget those who died
America can t you see?

chorus

Thanks to Sean Compton who provided the lyrics, I only changed
 Sam Duquane in Sam the Cane which sounds more like it, and even
could make sense too...

This song sounds much better played on piano, but good luck anyway

Sean, sorry it took me so long
