You Wont Be Lonely Now
Billy Ray Cyrus

Tuning: Standard
h= hammer on
p= pull-off

Capo 1

Intro Riff
```
E|-1p0-------------|
B|-----3-1---------|
G|---------0-------0|
D|----------3-2-3--|
A|-----------------|
E|-----------------|
```

C Bb F x2

```
C           Bb              F            C
```
I know you ve seen all your dreams turn to dust
```
C           Bb                F              C
```
I know your heart s been left in the rain to rust
```
C         Bb    F    C    Bb  F  C
```
You won t be lonely now
```
C       Bb              F              C
```
I see a long trail of tears in your eyes
```
C           Bb              F          C
```
Back to the day when the innocence died
```
C             Bb    F      C
```
But you won t be lonely now

Chorus
```
G F               C              G
```
I wanna give you everything you need
```
G F       C
```
I wanna show you
```
Bb          F
```
You won t be lonely
```
Bb        F          G
```
You won t be lonely now

G F C G F

```
C           Bb        F          C
```
Holdin you here lke a rose in the dark
```
C           Bb           F           C
```
I make this promise to you from my heart
```
C         Bb    F      C
```

You won t be lonely now

Chorus
G F   **C**   **G**
I wanna give you everything you need
G F   **C**
I wanna show you
Bb   **F**   **G**
You won t be lonely now
G   F   **C**   **G**
I ll do anything make you see
G   **F**   **C**
How I m gonna love you
Bb   **F**
You won t be lonely
Bb   **F**
You won t be lonely

G   **F**   **C**
Now that you re here in my arms I m alive
             D   **G**
For the first time in a long time I
              F   **Bb**
Look at my face in the mirror and see
     D   **G**   **F C G F C**
The man that I ve wanted to be
     Bb   **F** **Bb**   **D**
Oh yeah   Oooooooo

Chorus
A G   **D**   **A**
I wanna give you everything you need
A G   **D**
I wanna show you
C   **G**   **A**
You won t be lonely now
A G   **D**   **A**
I ll do anything to make you see
A   **G**   **D**
How I m gonna love you
C   **G**
You won t be lonely
C   **G**
You won t be lonely
C   **G** (let this one ring out)
You won t be lonely......now
