C
You ve got me runnin baby,
G
You give me something way beyond revenue
C
You put the magic in me,
G
I feel the magic when we do what we do
Am C G Am
And Oh, now I can t do without you for too long
C G
You re my situation

(refrão)
Am F
You re my kinda lover, my kinda lover
G Am
My kinda lover
Am F
My kinda lover, my kinda lover
G Am
My kinda lover

You keep me altogether,
You take me out whenever I m lettin down
You ve the the motions baby,
I ve got a notion maybe I ll stick around
Cause Oh, I can t live without you for too long
I can t see a reason

D C
Well when you come round I never get down, lie across the floor
G Am
I can see you comin on me and I can t ask for more
D C
Rock me sock me baby you ve got me ridin to the end
G Am
Rape me shape me baby you make me, turn me on again

You got my motor racin ,
I find my thoughts embracin your every move
Now I want to sex you with me
I want to make you feel the way that I do
And Oh, now I ve been thinkin bout you for so long
Now I don t wanna lose you
