

Nothing To Lose
Billy Talent

Tuning: Standard

Tabbed By: Jeff DeMatte

[Verse]

Em F# D/G C
Need more friends with wings,
B F Em F# D/G C B F
All the angels I know put concrete in my veins.
Em F# D/G C
I d always walk home alone,
B F Em F# G/D C B F
So I became life-less, just like my telephone.

[Chorus]

C Em
There s nothing to lose
D Bm
when no-one knows your name,
Em G F# F
There s nothing to gain but the days don t seem to change.
C Em D Bm
There s nothing to lose my notebook will explain.
Em G F# F
There s nothing to gain and I can t fight the pain.
