Rusted From The Rain Billy Talent

Rusted from the rain by billy talent I love it :D

Capo on 7th fret

Chords: Am, F, C, G repeat always trough the whole song

I stumble through the wreckage
Rusted from the rain
There s nothing left to salvage
No one left to blame
Among the broken mirrors
I don t look the same
I m rusted from the rain
I m rusted from the rain

Dissect me until my blood runs down into the drain My bitter heart is pumping oil into my veins I m nothing but a tin man, don t feel any pain I don t feel any pain I m rusted from the rain

Go on crush me like a flower, rusted from the rain Come on, strip me of my power, beat me with your chains And if I m the king of cowards, you re the queen of pain I m rusted from the rain, I m rusted from the rain

You hung me like a picture, now I m just a frame I used to be your lap dog, now I m just a stray Shackled in a graveyard, left here to decay Left here to decay, left here to decay

I m rusted from the rain

Go on crush me like a flower, rusted from the rain

Come on, strip me of my power, beat me with your chains $And\ if\ I$ m the king of cowards, you re the queen of pain I m rusted from the rain, I m rusted from the rain

I m rusted from the rain

guitar

Go on crush me like a flower, rusted from the rain Come on, strip me of my power, beat me with your chains And if I m the king of cowards, you re the queen of pain I m rusted from the rain, I m rusted from the rain

Go on crush me like a flower, rusted from the rain Come on, strip me of my power, beat me with your chains And if I m the king of cowards, you re the queen of pain I m rusted from the rain, I m rusted from the rain The sun will shine again, I m rusted from the rain I m rusted from the rain, I m rusted from the rain.
