[Verse 1]

Ebm G#
We spent our lifes together

That should have last forever

Before we drown in sorrow
Ebm G# B F# C# B Ebm
Ohh... oohhhh... ooohhh...

[Verse 2]

I gave you sanctuary
B F# C#
Under the sun we lived carefree

I tried so hard to love you..
Ebm G# B
But then you turned your back on me

Your good intentions turned to greed

And now it s good to know that

you didn't hear the rising tide
