Hi all, my names is Alexander a.k.a. SJD :) This is my first of, as i hope, many tabs i would submit here :) So let me know if you like it :)

Binocular - Maybe you re gone (The Girl Next Door OST)

F		G
	Thought you were an angel	
F		G
	Shining in the clouds	
F		G
	Thought you were so faithful	
F		G
	Now I have my doubts	

	C
Maybe you re gone	
	G
You re gone	
	F
To sleep	
	C
Maybe you re gone	
	G
You re gone	
	F
For keeps	

[And everything else is the same :)]

Thought you were my best friend
At least I tried to make it true
But though I hate to be alone
I was the loneliest with you

Maybe you re love
Is gone
To sleep
Maybe my love
Is gone
To deep

Maybe our love
Is gone
To sleep
Maybe our love
Is gone

For keeps

[Nice song ha? :) ?]
