

You
Binocular

Stick a capo on the second fret.

C {x30033(0)}
F {133010}
Am {577500}
G {355030}
Dm {xx0230}

C **F**
You you re everything I ever wanted to

C **F**
Be when you re here with me I just wanna lose

C **F**
Me in your love that rises to the sun

C **F**
And says everything I never could think of

Am **G** **F** **Am** **G** **F**
In silence we rise and we fall here for today then were gone

C **F**
But you you ll always be my only real friend

C **F**
I said you I know you ll always be there till the end

C **F**
They may say I m holding onto something from the past

C **F**
cause they know that nothing in this life will ever last

Am **G** **F** **Am** **G** **F**
In silence we rise and we fall here for today then were gone

Am **G** **F**
In the time that we take to look back

Am **G** **F**
These days and these moments have passed

Dm **G**
I ve been running down the mountain side alone

Dm **G**
I ve been stuck out in the rain and in the cold

Dm **G**
I ve been going down lonely streets

Dm **G**
I ve been climbing up the mountain

C **F**
cause you you re everything I ever wanted to

C **F**
Be when you re here with me I just wanna lose

Am **G** **F** **Am** **G** **F**
In silence we rise and we fall here for today then were gone

Am **G** **F**
In the time that we take to look back

Am **G** **F**
These days and these moments have passed

C **F**
Then were gone
