Birdeatsbaby

Cm **G**
Well, it s good to be a little open minded
Ab **Bdim**
To the way that other people see the world
Cm **G**
But I can t get by your obsession with leather
Ab **Bdim**
And the way you think it s fun to hurt yourself

Cm **G**
What s that skeleton inside your cupboard?
Bb **F**
What s the use in hiding how you live?
Ab **Eb**
What the use in being so damn secretive

She s got issues of the sexual kind
Ab **Bdim**
Her happiness depends on being cuffed up and blind
Eb **G**
She s got problems cause she s desirable
Ab **Bdim**
And it wouldn t matter much but you re miserable

Cm **G**

Ab **Bdim**
And my guess is that you haven t got a hope
Cm **G**
All those nights that you cannot remember

Cm **G**
While everyone behind your back is laughing
Bb **F**
Saying that you re running out of luck
Ab **Eb**
All those drugs and all that you ve been drinking
Cm **G**
Half the time you re too drunk to fuck
