

**I Might Have Guessed**  
**Birdmonster**

Birdmonster official site: <http://birdmonstermusic.com/>

This is my first tab, so take it easy.

Standard tuning, capo on 2

The C/G\* chord is definitely not a **C/G**, but I don't know what it is called, so I am naming it that for this song only. It is actually this:

**C/G\*** (010023)

-----

**G**            **C**                    **C/G\***  
I might return to you, you said  
                 **Am**            **D**            **G**  
I could have seen this comin  
                 **C**                    **C/G\***  
I might return to you I guess  
                 **Am**            **D**            **G**  
but you got me climbing the walls  
  
                 **C**                    **C/G\***  
I never meant those things I said  
                 **Am**            **D**            **G**  
I m sorry honey  
                 **C**                    **C/G\***  
I will return the things I stole  
                 **Am**            **D**            **Am**  
from your heart, now climbing the walls  
  
                 **G**                    **Am**  
I might have guessed  
                 **G**  
I might be blessed  
                 **D**            **Am**  
You re falling apart  
                 **G**                    **Am**  
Your heart burned black  
                 **G**  
I might be blessed  
                 **D**            **G**  
You re breaking my heart  
  
                 **C**                    **C/G\***  
We see the winters coming on

**Am** **D** **G**  
did you see me running?

**C** **C/G\***  
No longer leaves left beautiful  
**Am** **D** **G**  
from the trees now skeleton arms

**C** **C/G\***  
I never meant those things I said

**Am** **D** **G**  
I m sorry, honey

**C** **C/G\***  
I can t see you anymore

**Am** **D** **Am**  
you I don t even recognize

**G** **Am**  
I might have guessed

**G**  
I might be blessed

**D** **Am**  
You re falling apart

**G** **Am**  
Your heart burned black

**G**  
I might be blessed

**D** **G**  
You re breaking my heart

**C** **C/G\***  
All of the things at the time we let go

**Am** **D** **G**  
Just kept on coming

**C** **C/G\***  
so onto our backs we took a heavy load

**Am** **D** **G**  
and the seas once dry will now rise

**C** **C/G\***  
fortunes hang in the balance tonight

**Am** **D** **G**  
with the jewels that shutter your eyes

**C** **C/G\***  
once last chance now to make it right

**Am** **D** **Am**  
consider the odds, we made out just fine

**G** **Am**  
I might have guessed

**G**  
I might be blessed

**D** **Am**  
You re falling apart

**G** **Am**

Your heart gone black

**G**

I might be blessed

**D**

**G**

You re breaking my heart

(solo--I don t have this part, since it is on mandolin)

(repeat chorus)

-----
