In The Veins Of Death Valley Birds of Tokyo

Great song from the new self-titled album. Pretty certain this is all correct. Simple power chords are used.

[**F** | **F** | **A#** | **C**] x2 A# I told you to let the good ones in, You re worth your weight in gold A# Struggle to fight the feud within, to face what you ve become A# Just when you think you re at the end, you circle on yourself A# It s true what they say when things get crazy, we learn to thicken skin C# Feels like the poison s creeping in, stripping your vein it s settled in Straight to the heart, good luck, you re finished for sure A# A# Say now it s been a lifetime of dreaming, this is the last time I bleed for you F A# F A# C# So long it s not forever and i ll stay here for the echoes instead of you C Α I want you to know you re in, the deepest of the oceans I don t think that you can swim A# C You tell me that everything is fine here and you can handle it A# You re just on the edge I think you re breaking, the cracks are showing up C# Feels like the poison s creeping in, stripping your vein it s settled in Straight to the heart, good luck, you re finished for sure A# Say now it s been a lifetime of dreaming, this is the last time I bleed for C you
