And forgiveness seems too bold
D
As to find it in my heart
G
To say I love you
Em
When my heart is made from gold
C
And the hunt is just too bold
D
As to find it in my heart
G
To say I love you
C
Is there not enough to use your love for me
Em D
To get past the things because you envy and hate
C G D
And the fires that they breathe
C
To say I looked on the small
Em
Can t understand why you don t have it all
C

But you don't know how to fight for your believe in your aims

Em

D

I just wanna do right by you, forget what has changed

D

Cause nothing is changed

G

And I want to be free

Em

When my heart is made from gold

C

D

As to find it in my heart

G

To say I love you

Em

When my heart is made from gold

C

And the hunt is just too bold

D

As to find it in my heart

G

To say I love you

C

For you have to be so mean

You're such a drama queen

The way you play on every weakness that you see in me

G

D

To make you strong, knew all along

C

So don't pretend like you can hardly breathe

Like it's down to me

G

Cause it's so unfair that you can't see that you're so wrong

D

We're still so young

G

And I want to be free

Em

When my heart is made from gold

C

And forgiveness seems too bold

D

As to find it in my heart

G

To say I love you

Em

When my heart is made from gold

C

And the hunt is just too bold

D

As to find it in my heart

G

To say I love you
