

Let It All Go (feat. Rhodes)
Birdy

[Intro] G C Am C
Em D G C

I ve been sleepless at night
Cause I don t know how I feel
I ve been waiting on you
Just to say something real

There s a light on the road
And I think you know
Morning has come and I have to go

I don t know why, I don t know why

We need to break so hard
I don t know why we break so hard

But if we re strong enough to let it in (in in)
We re strong enough to let it go (ooh ooh)
Let it all go, let it all go, let it all out now

If I look back to the start, now I know
I see everything true
There s still a fire in my heart, my darling
But I m not burning for you

We started it wrong and I think you know
We waited too long, now I have to go

Am **Em** **D**
I don t know why, I don t know why

We need to break so hard

Am **Em** **D**
I don t know why we break so hard

C **G** **D**
But if we re strong enough to let it in (in in)

C **G** **D**
We re strong enough to let it go (ooh ooh)

C **G** **D**
Let it all go, let it all go, let it all out now

G **Am** **Bm** **C**
Who says truth is beauty after all

G **Am** **Bm** **C**
And who says love should break us when we fall

C **G** **D**
But if we re strong enough to let it in (in in)

C **G** **D**
We re strong enough to let it go (ooh ooh)

C **G** **D**
Let it all go, let it all go, let it all out now

C **G** **D**
Let it all go, let it all go, let it all out now

C **G** **D**
We re strong enough to let it go (ooh ooh)
