

Lost It All  
Birdy

verse 1

G                    C            D            C  
Give a little time to me  
G                    C                    D            C  
Give a little trust and you d see  
G                    C                    D            C  
Give a little peace of mind  
G                    C                    D            C  
You never know what you might find

          D                    C                    G  
Oh, if this is what dreams are made of  
          D                    C                    G  
Then I think that I ve seen enough  
          D                    C                    G...  
Oh, I ve given you all of my love  
  
But it s still not enough

verse 2

G                    C            D            C  
You told me that you liked my ways  
G                    C                    D            C  
You re clever with the words you say, yeah  
G                    C                    D            C  
Let me out into the dark  
G                    C                    D            C  
I took a little step too far

          D                    C                    G  
Oh, if this is what dreams are made of  
          D                    C                    G  
Then I think that I ve seen enough  
          D                    C                    G...  
Oh, I ve given you all of my love  
  
But it s still not enough
