

No Angel  
Birdy

[Intro] Am F G

Am F G Em  
Remember once the things you told me  
Am F G Em  
And how the tears ran from my eyes  
Am F G Em  
They didn't fall because it hurt me  
Am F G Em  
I just hate to see you cry  
Am F G Em  
Sometimes I wish we could be strangers  
Am F G Em  
So I didn't have to know your pain  
Am F G Em  
But if I kept myself from danger  
Am F G  
This empty news would feel the same

F C  
I ain't no angel  
F C  
I never was  
F C  
But I never hurt you  
F C  
It's not my fault  
F C Am F C  
You see those egg shells, they're broken up  
F C G Am F G  
A million pieces, strung out across the ground

Did you ever really love her  
Am F G  
Or was it that you felt letting go

But you pretend like I don't know
