

Shelter

Birdy

Intro 2x: Dm Bb

I find shelter in this way

Under cover, hide away

Can you hear when I say

I have never felt this way

Maybe I had said something that was wrong

Can I make it better with the lights turned on

Maybe I had said something that was wrong

Can I make it better with the lights turned on

Bb G Dm F

Could I be, was I there

It felt so crystal in the air

I still want to drown whenever you leave

Please teach me gently how to breathe

And I ll cross oceans like never before

So you can feel the way I feel it too

And I ll send images back at you

So you can see the way I feel it too

Maybe I had said something that was wrong

Can I make it better with the lights turned on

Maybe I had said something that was wrong
