

Strange Birds
Birdy

Gm **Gm/F**
Little ghost, you are listening,
Eb
Unlike most you don't miss a thing,
Cm Dsus4 D
You see the truth,
Gm **Gm/F**
I walk the halls invisibly,
Eb
I climb the walls, no one sees me,
Cm Dsus4 D
No one but you.

Gm
You've always loved the strange birds
Gm/F **Eb**
Now I want to fly into your world
Cm Dsus4 D
I want to be heard
Gm
My wounded wings still beating,
Gm/F **Eb** **Cm**
You've always loved the stranger inside?
Dsus4 D
Me, ugly pretty.
Gm
Oh no, no, no, no
Gm/F
Oh no, no, no, no
Eb
Oh no, no, no, no
Cm Dsus4 D
Oh

Gm **Gm/F**
Oh little ghost, you see the pain
Eb **Cm Dsus4 D**
But together we can make something beautiful,
Gm
So take my hand and perfectly,
Gm/F **Eb**
We fill the gaps, you and me make three,
Cm Dsus4 D
I was meant for you, and you for me.
